I apologize for the big "N" at the beginning of our President's message. I don't know what I did to get it and haven't figured out how to get rid of it before sending to the printer so anyone who might know how, please let me know.

### Jim Miller - President

In the Good Old Days " members of Congress passed the buck. Now, it seems, they keep it ! That touches off topic # one, the many members of NARFE who are dismayed and confused about the EXTRA withholding of income tax from their annuity checks. Short explanation from 21 pages of reference and other sources. Congress didn't approve the expiring tax credits in time for IRS to roll in the changes, and the additional income taxes were withheld. Solution, other [www.opm.gov/retire](http://www.opm.gov/retire) or call OPM @ 1-888-767-6738 from 7:30 a.m to 8:00 P.M., Eastern Standard time. I was advised, it may be better to call on Wednesdays or Thursday.

What is required for this newsletter to be in our members' hands every month ? Informative columns written by your elected and appointed Officers and Chairs, then submitted to the Editor. These are edited as necessary. Sherry Potter receives the mail in labels and checks those for accuracy. She deletes one when two are at the same address. She then sends them to the editor who deletes all that are on email. Edited letter is send to the printer. The labels are delivered to Paul and Shirley Manning who pick up the letter from the printer, apply the mailing labels ( purchased from NARFE HQ) and drive the newsletter to the DMU ( Detached Mailing Unit ) North of the Kansas River. Members who have submitted their e-mail address receive the newsletter on line, saving our chapter " a bundle of bucks " every month. It's not as easy as it sounds and everyry

link in that chain deserves our thanks and appreciation !

Special thanks to Maynard Cox who completed 23 years as our Chapter Treasurer, turned that job over to Sherry Potter....then volunteered to be Editor. Sherry has indicated 2011 will be her LAST year as Treasurer, so if you have interest in serving our chapter, ask Sherry about her responsibilities and pass that interest along to Dale Jirik.

**MEMBERSHIP!** The new and revised NARFE membership applications have arrived and a few will be on display at the chapter luncheon, February 25. Gwen Ketter, Ron Nies and I met after the Executive Committee meeting February 10 to work on our chapter's 2011 recruiting and retention plan. Ron Neis will be the Vice President AND MEMBERSHIP Chairman. Ron Richey steps up as our Legislative Chairman. Welcome back Ron.

**NARFE STATE CONVENTION-** April 10-11-12 in Junction City ! We are authorized 19 delegates and anyone in good standing can attend as a delegate ! Delegates are not required to be officers, so check for details at the next chapter meeting. Delegates are required to attend all sessions, as they represent our chapter's best interests and vote accordingly.

**NARFE's INTEGRATED ADVOCACY AND COMMUNICATIONS CAMPAIGN !** No secret ! This Congress will threaten cuts in federal pay, retirements and health benefits . The coordinated campaign will provide us with accurate information and up dates on Congressional cuts. Why is this needed ? Some lawmakers are using misleading " news reports " that federal workers and retirees are overpaid when working and receive overly generous retirement and health benefits when retired. And that leads me to NARFE PAC! Use the form in the NARFE magazine to complete the information required, and give the form with your contribution to me at the chapter meeting. I'll group our contributions and send those to Don Cooper, Federation NARFE PAC Chairman, to ensure the Topeka chapter receives full credit. My mailing address is 7220 SW Asbury Dr. apt. 219-W, Topeka, KS 66614-6508.

As you see, we have a LOT going on ! Please plan on being at our February 25 luncheon / meeting ! I'll see you there.

**Newsletter Editor, Maynard Cox** – The options for replacing the Editor were in the last newsletter which were : (1) Pay from our Treasury an amount to have it done by an outside printer, and perhaps make it a quarterly newsletter rather than a monthly one. This would soon be a strain on our treasury and doubtfully could it be afforded..

(2) Have our President appoint someone as is done on other Chair persons or

(3) Discontinue having a newsletter.

It is a disappointment that with the talents possessed by many of our members, only one has expressed interest in doing the newsletter. We will have a February newsletter and have a member, **Kathleen Smith** who has expressed interest and has agreed to become the Editor.

**Legislative, Ron Richey** - In what year did Kansas women have the right to vote in all elections? – 1912. Make sure you are registered to vote. Kansas Trivia Question - Ten-year-old Wilbur Chapman of White Cloud wanted to raise money for the American Leprosy Mission in 1913, so he made an odd-shaped device that caught everyone's eye. What is Wilbur credited with inventing?  
Answer: The piggy bank

We would like to extend our sympathy to Sen. Vicki Schmidt and Family, on the death of her Dad Victor Ensz, on Jan. 21, 2011. She was a guest speaker at our chapter recently.

On March 1, 2011, is the City/School Primary Election and April 5, 2011, is the City/School General Election. We would like to encourage you to get out and vote.

The Office of Personnel Management announced that open season for the Federal Long Term Care Insurance Program will run from April 4 through June 24. Call (800) 582-3337.

In reading the 1040 tax book...“What's new in expired tax benefits” the following tax benefit expired and is not available for 2010. Increased standard deduction for real-estate taxes and/or net disaster loss for a disaster occurring after 2009. This can happen to our benefits.

That is why it is important to be a NARFE member, be active, and encourage other Federal Retirees to attend and join NARFE. This helps us provide staff in Washington D. C. to monitor our legislature.

I would like to thank Jim Miller and Ron Neis for their continued help in monitoring the Kansas Legislature in an effort to retain our benefits. To listen to the Kansas House and/or Senate get information at:

**Helen Price - Good Cheer** -Since the last meeting get well cards have been sent to Pauleen Harris who was hospitalized at St Francis Hospital and to Marjorie Roy who was hospitalized at Stormont-Vail Hospital. A sympathy card was sent to Dianna Duclos at the time of her sister's death, Peggy Lee, on January 27 and to the family of Luella Weikal at the time of her death on February 3

**Miscellaneous:**The following message from our national office was provided by our Federation President Carol Ek

““In response to high call volume, the Office of Personnel Management has established a new Tax Hotline that retirees can call to change the federal tax withholding on their monthly annuity payments. The number is 800-307-8298.”
