Jim Miller - President

The falling leaves remind us that yes, winter is coming, accompanied by the usual problems. There are too many of those preparations to list, so I'll morph into problems (and solutions) for NARFE members. These days I'm feeling like the past his prime boxer, trying to fend off the punches coming at him at all angles from a younger, faster opponent. You can bob, weave, dodge, but ASAP....you'd better hit back !

NARFE delegates at the recently concluded national convention voted for a dues increase. Those details are complicated(problems) but the solutions are (1) Dues withholding ! We have the forms and you can find those at our Oct. 22 meeting. Dues are deducted monthly(2) LIFE membership ! The current rate holds until January and Maynard Cox has details on chapter dues amount. Life dues means exactly that. Pay once and forget it.

Problem, some members and potential members will believe any dues increase is too much, and drop out of NARFE. BAD choice, because as Jimmy Durante' used to say " You ain't seen nuttin' yet ! " With present concerted efforts to paint ALL federal employees and retirees as over compensated leeches (their words, not mine) and drastically reduce our EARNED benefits, NARFE needs a strong, unified membership.

When we shop, we compare prices and I strongly suggest we do that when balancing our budget scales. What are NARFE dues worth when compared with the benefits ? What are the costs if our benefits are lost ? We'll be like that poor old boxer, trying to duck those flurries of punches alone ! When those punches come, consider how comforting it will be to have NARFE in YOUR corner !

Our Oct. 22 program will be Pam Maxwell, Blue Cross/ Blue Shield. To the

dismay of some and the delight of others, we don't plan on hearing from or visiting with political candidates. Apparently there will be sufficient Town Hall meetings and forums between now and Nov. 2 to fill that gap.

The only "politicos " will be those nominated and elected to lead our chapter in 2011.

We elect in October and install in December. Dale Jirik, Betty Born and Bill Kastens are accepting candidates until Oct. 22, and nominations from the floor are ALWAYS encouraged. Old adage...IF NOT YOU THEN WHO ? AND IF NOT NOW, THEN WHEN ? Please attend Oct. 22 (remember to call for a reservation if you didn't sign on during the September pre-meeting) and take part in our chapter elections ! I'll see you then, perhaps a little " punch drunk " but I hope to still be on my feet and ready to answer the bell for the next round !

Gale DeVore - First Vice President

As federal workers and retirees this November is a very important month.. Whether you are to the right or the left please get out and vote. This is a very important election; we must protect our benefits. I am sure Congressmen would squeak if they thought their retirement benefits were threatened.

Also be sure to support your NARFE PAC. Remember they fight for YOU.

Gwendolyn Ketter - Secretary

We were unsuccessful in our invitations to candidates running for both federal and state offices. Jim is scrambling to invite someone to speak on the new health benefit changes that will be in effect in 2011.

Hope to see you at the October meeting.

Helen Price - Good Cheer

It has been a long time since we have been fortunate not to have any deaths nor any reported illnesses, but that was the case this month.
