Due to my computer problems I was almost not able to get this done in time to mail it.

The last is first and the first is last!!!

I think I accidently sent that note ahead of getting finished!!!

Sorry about that.... Last month we held our meeting at the Whistle Stop in Osawatomie at noon with the Choir from the Osawatomie High School performing some really nice selections for us.

Our meeting in March will be held at the CadmusGrange Hall on #7Highway going south of Osawatomie to the Grange hall on the left hand side of the HWY #7 about 6 mi. SE of Beagle... Please make your reservations with your caller or contact me with your call by Sunday March 8 if at all possible. Hopefully the weather will cooperate also. Our meetings will be held at 6 p.m. this time and the next few months till wintertime again.

Our speaker will be

Mike Yocaum, school board President of the Paola District. A lot of our members are from that district and I am sure they will be interested in what he has to say to us.

We have received nice cards from the families of Teresa Staley and Dean McCready.

We also have a new member, D.J. Needham of Osawatomie.

We hope to see him at one of our meetings soon. He has been having a lot of health issues but is able to be back at work now.

His wife is the owner of Hanes florist shop and he is employed by the FAA.

"Show respect even to people who don't deserve it; not as a reflection of their character but as a reflection of yours"....

Dave Willis

We were glad to have Mary and Lawrence Boehm able to attend our meeting. We need to remember those in our chapter who are not feeling very well: Fred katzer, Oscar Durland, Wendell Davis, Joan Harrington and also the families of Winona Hornbuckle, Teresa Staley, Dean McCready. I am sure there are those I am not aware of but we do think of each of you and hope tomorrow is better than today.

I think at present I do have my computer working. Thru a glitz that happened yesterday while I was using it the first part of the letter was lost somewhere out in space I guess. Have no idea if anyone received it or not so the bare necessities will only be found in this notice as I have no idea what all I covered in the first part of the letter..... Mainly I was referring to the recent NARFE magazine -- March 2015-- that you have received. I know it is easy to just put it aside and not really read it. I have received several items that President Thissen has put on the internet, most leading up to the fact there is a possibility to having our retirement and benefits decreased or cut somewhat. Thru your donations to NARFE-PAC we can all help to prevent that maybe. On the front of the cover is the envelope and info for your donation. Our chapter representative is Darrell Williams and you can always give it to him to send in for you. Any questions you might have about PAC can be more explained by calling the phone numbers given in the magazine also. Due to increase usage of the internet for everything, those who use it have quicker and instant access to almost everything. Still I am sure you enjoy talking to a person so the phone numbers are listed for your convenience and I would hope you use them. It should be noted that IRS still requires you to file your e postcard before may 15, 2015 if your fiscal yr. ended Dec. 31, 2014. A problem did exist for logging into <http://epostcard.form990.org> previously but works now. If you were using this you are advised to change your password due to the security alert. You may contact security@form990.org or call 1-800-564-9110.

Lots of problems are out there everyday so do not back up in finding the answer to your problems and feel free to contact others for help.

Tomorrow I am supposed to receive a new printer and hopefully I have my computer working now. I certainly do not have a computer brain but I keep trying so bear with me..... I tricked my keyboard into thinking it was a new product!!!!

Hope to see you Tue. evening. Jean N.
