New Year's Reflections

Looking back on the months gone by,
As a new year starts and an old one ends,
We contemplate what brought us joy,
And we think of our loved ones and our friends.

Recalling all the happy times,
Remembering how they enriched our lives,
We reflect upon who really counts,
As the fresh and bright new year arrives.
And when I/we ponder those who do,
I/we immediately think of you.

Thanks for being one of the reasons I'll/We'll have a Happy New Year!

By Joanna Fuchs

Happy New Year Wish

My Happy New Year wish for you
Is for your best year yet,

A year where life is peaceful,

And what you want, you get.

A year in which you cherish

The past year's memories,
And live your life each new day,
Full of bright expectancies.

I wish for you a holiday
With happiness galore;
And when it's done, I wish you
Happy New Year, and many more.

NATIONAL NEWS

NARFE Disappointed by President's Decision to Freeze Federal Worker Pay

Joseph A. Beaudoin, president of the National Active and Retired Federal Employees Association (NARFE), reacted with disappointment to President Obama's announcement of a two-year pay freeze for civilian federal workers:

"We understand the purpose of shared sacrifice. But federal employees and their families once again are being singled out. This action comes at a time when the federal government can ill afford to put recruitment and retention at risk," said Beaudoin. "Indeed, freezing or cutting pay sends the wrong signal to the best and brightest workers federal agencies will need in these difficult times."

NARFE Applauds Kerry for Bill to Protect Federal Retirees from the 2011 Medicare Premium Increase

Joseph A. Beaudoin, president of the National Active and Retired Federal Employees Association (NARFE), today praised Sen. John Kerry, D-MA, for his decision to introduce the "Medicare Premium Fairness Act" when the Senate convenes for the lame-duck session in mid-November. The bill would protect all Medicare beneficiaries -- including federal civil service annuitants who are not eligible to receive Social Security -- from an increase in their Part B premium in 2011, when they will not receive any cost-of-living adjustment (COLA)."
