Alzheimer's Report

We are doing well as a region in donations. We were 2nd out of the 10 regions. Kansas ranked 5 out of 54 states/or territories raising \$19,846.00. Junction City was the top chapter in the state donating \$5,000. The goal for 2006 was \$3.30 per member. The actual was \$3.89 per person. The recommended goal for each chapter is \$4.00 a person for 2007.

We were awarded a certificate of appreciation for being the number one fundraiser at the 2006 state convention raising \$3,800 from the live and silent auctions.

Please continue to donate items for the auction. We accept donations all year long to take to the convention. Hopefully, you read the article about Alzheimer's in the May 6 issue of the Parade magazine insert in your newspaper. We are looking for a new Alzheimer's chairman for our chapter. Please consider taking on this position. I'll provide you a copy of the position description if you are interested.

What's Coming in August

It's the **NARFE Region V's, College of Knowledge** at South Sioux City, Nebraska, August 27 through 29, at the Marina Inn. The theme will be legislative (a term that's familiar to all NARFE members).

NARFE's National President Margaret Baptiste will be the guest speaker. Here's your chance to see in person and perhaps talk to the national president of NARFE.

The National Headquarters Legislative team will also be there to answer questions and provide insight on where we have come from and what's in store for the future for NARFE.

The College of Knowledge is sponsored by NARFE's Region V Regional Vice President Richard (Dick) Thissen. As a member of our National Executive Board, Dick usually provides the "inside" information on the National Executive Board activities.

The College of Knowledge was started in 1996 by a Region V president and has continued with each succeeding regional president to the present time. It was originally billed, years ago, as a vacation for Narfers with some NARFE thrown in. However, it has grown in popularity over the years as a place for not only socializing but also to learn about our national programs, issues and so forth in a more

relaxed atmosphere. It's a must-do event for members who want that broader perspective of our Association by those who shape it. And now, what's the cost of attendance?

It is a bargain. Registration is \$60.00, which includes all conference materials, Monday's evening meal and Tuesday's lunch and evening meal. Lodging is \$78.00 per night for single/double rooms and that includes breakfast buffet. Figure two nights. Sessions begin Monday, August 27th at 3:30 pm. You must make your own reservations with the Marina Inn; their telephone number is (800) 798-7980. Some people stay on a few days longer for sight-seeing. It's on the Missouri River and, of course, there's riverboat gambling, but that's across the river from the Inn.

Ask Elizabeth Bornman our chapter president for registration forms. Her phone number is 913 268-8526. Deadline for registration is August 2nd. As an added incentive the Federation has set aside enough money to pay registration fees for thirty-eight members from Kansas. Should more than thirty-eight members attend, drawing by lot will be the determining factor.

So, mark your calendar: *August 27-29, College of Knowledge.*
