# HAPPY NEW YEAR!

## State Federation President Donald L. Cooper

Kansas NARFE has a lot for which to be thankful. We give Thanks that a group of people had the foresight eighty-four years ago to create an organization dedicated to the preservation of the federal worker's earned benefits. So many people have benefited from the dedication of many active and retired federal employees. That has taken a lot of giving. It is giving that each of us should pause, from time to time, and offer thanks. Celebrating the holidays is associated with lots of good eats and fellowship. Without the COLA's we have come to expect, buying that food, at today's prices, would be difficult on the annuity received at the time of retirement some 20-30 years ago. Paying medical bills is another area many have had help from the past efforts of the dedicated NARFE members working together. Gift giving is part of observing holidays. Pause to think of the gifts received because NARFE members of the past gave of themselves. We have current opportunities to give a gift of introducing federal workers to NARFE. It's as simple as using a Gift Membership Application to NARFE. Think what would happen if each current NARFE member gave a gift membership during this season of giving!

All 46 Kansas NARFE Chapters have held elections of 2006 chapter leaders. My thanks go out to you who are continuing your chapter leadership and welcome to those who are coming on board as new chapter officers.

**“Tell em about NARFE - ASK em to join.”**

### 20 ways to maintain a healthy level of insanity:

1. At lunchtime, sit in your parked car with sunglasses on and point a hair dryer at passing cars. See if they slow down.
2. Page yourself over the intercom. Don't disguise your voice.
3. Every time someone asks you to do something, ask if they want fries with that.
4. Put your garbage can on your desk and label it "in."
5. Put decaf in the coffee maker for 3 weeks. Once everyone has gotten over his or her caffeine addictions, switch to espresso.
6. In the memo field of all your checks, write "for smuggling diamonds."
7. Finish all your sentences with "In accordance with the prophecy."
8. Don't use any punctuation.
9. As often as possible, skip rather than walk.
10. Order diet water with a serious face whenever you go out to eat.
11. Specify that your drive-through order is "to go."
12. Sing along at the opera.
13. Go to a poetry recital and ask why the poems don't rhyme.

- The Junction City High School Jazz Band gave a splendid program to entertain the luncheon attendees.
- Lowell May from Concordia is writing a book about German prisoners of war who were held in Kansas. Anyone with information, please contact him.

## 2006 State Convention

The 2006 Convention will be in Wichita April 23-25, 2006. We will need delegates again this year. The Registration and 3 meals will be \$60.00. The Hotel room rates are \$79.00 + sales & occupancy tax (13.3%) for up to 4 persons per room. There will be a round table session on Sunday afternoon, giving everyone an opportunity to ask questions, also an Alzheimer Auction Sunday evening. Attending the Convention is a lot of fun, meeting old friends and new ones. Give this a lot of thought. After the Convention is over on Tuesday, there will always be time for shopping at the BIG malls.

Madelyn Brown, Secretary/Treasurer

- 14. Put mosquito netting around your work area and play tropical sounds all day.
- 15. Five days in advance, tell your friends you can't attend their party because you're not in the mood.
- 16. Have your co-workers address you by your wrestling name, "Rock Bottom."
- 17. When the money comes out of the ATM, scream, "I won! I won!"
- 18. When leaving the zoo, start running towards the parking lot, yelling, "Run for your lives, they're loose!"
- 19. Tell your children over dinner, "Due to the economy, we are going to have to let one of you go."
- 20. And the final way to keep a healthy level of insanity...  
....send this to someone to make them smile!!

**Growing older is mandatory, growing up is optional, laughing at yourself is therapeutic!**

REMEMBER, CONTACT ANY NARFE MEMBER AND THEY WILL ADVISE/ASSIST YOU IN JOINING OUR GREAT ORGANIZATION!

**JC NARFE members** receiving an annuity from OPM should have received the January 2006 form showing the 4.1 % increase in annuity. FERS annuitants should have a 3.1% increase. The increase in the monthly Medicare premium will also be listed. The increase in your Monthly health benefits, i.e., BCBS, etc., will not show up until your February 2006 statement.

The January NARFE magazine has a listing of Financial Web sites starting on page 26. I will be adding a page to the KSNARFE.org web site listing these sources of information.

With the President supporting reducing the increases in "entitlements," NARFE members should be alert to any bills in congress that would affect CSRS, FERS and Social Security annuities.
